Earn two degrees in just four years:
• Nursing Associate Degree | NWTC
• Bachelor of Science in Nursing | UW-Green Bay

For more information go to http://www.uwgb.edu/nursing/ or contact UW-Green Bay Professional Program in Nursing at 920-465-2826 or email: nursing@uwgb.edu

For more information about NWTC Associate Degree Nursing Program go to www.nwtc.edu or contact an academic advisor at 920-498-5444 or 888-385-6982.

NWTC does not discriminate on the basis of age, race, color, disability, sex, gender, sexual orientation, gender identity, national origin or other protected classes. 63312HS nd 4_17
If a bachelor’s degree in nursing is your goal, consider the Nurse 1-2-1 program.

YEAR 1
at UW-Green Bay

YEAR 2 and YEAR 3
at NWTC

YEAR 4
at UW-Green Bay

After the third year of the Nurse 1-2-1 program, you can earn your associate degree, take the registered nurse licensure exam, and work as an RN. Another major advantage? You can save thousands of dollars in tuition.

Nurse 1-2-1 Strengths and Benefits

- Earn two degrees in just four years
- Sit for the RN licensure exam after year three (NWTC students consistently score above the national average on the NCLEX-RN).
- Work as an RN after year three (a year earlier than students in traditional four-year programs).
- Save thousands of dollars by paying technical college tuition during years two and three.
  ○ $35,500 – Nurse 1-2-1 estimated cost for tuition, books, and fees for four years
  ○ $84,500 – Local private college approximate cost for tuition and fees for four years
- Experience high-quality, hands-on technical education at NWTC and advanced nursing education at UW-Green Bay – both nationally accredited schools.
- Enjoy campus life at both NWTC and UW-Green Bay during all four years of the program.
- Learn from highly qualified faculty with a passion for nursing and education.

Program Eligibility Requirements and Preferred Criteria

Program Eligibility Requirements
1. High School Diploma
2. High School GPA of 3.0 or higher
3. ACT minimum scores: English – 17; Math – 18; Composite – 20
4. Admitted to UW-Green Bay as a Freshman
5. Less than 16 earned college credits

Preferred Eligibility Criteria
- High School science courses such as Biology, Chemistry or Anatomy & Physiology (minimum of two)
- High School math courses including Algebra, Geometry and Advanced Algebra to demonstrate preparedness for college math
- Completion of a Wisconsin Department of Health Services (DHS) approved Nursing Assistant course (Required prior to Year 2)
- Related volunteer or healthcare work experiences
- Ability to speak a language other than English

Application Process
- Apply to UW-Green Bay as a pre-nursing student at https://apply.wisconsin.edu/
- Be admitted to UW-Green Bay
- Apply to NURSE 1-2-1 Program by using your UW-Green Bay student username, password, and ID number to complete a NURSE 1-2-1 Application Form. Limited seats are available: Application Forms will be available only between September 15 and November 15 and must be submitted during that period. The Application Form is completed to verify you have met the minimum program eligibility requirements and agree to the terms of participating in the program. The NURSE 1-2-1 Admission Committee will review all submitted Application Forms, applications, transcripts and ACT scores to decide which applicants will be admitted to the program based upon the number of seats available.
- Be admitted to NURSE 1-2-1.
