

Membership Information

Vision – Provide dynamic leadership in nursing education.

Mission –Promote Associate Degree Nursing through education, leadership, inclusivity, collaboration, and advocacy to ensure excellence in the profession.

OADN Member Benefits

- **Membership in the only organization voicing the interests of associate degree nursing education at the national level** on issues such as: models of academic progression, community colleges conferring the BSN, nurses in leadership positions, accreditation, and most importantly preserving access to nursing education at community colleges and other associate degree nursing programs.
- **Representing members’ interests at numerous national and international presentations** to promote the importance of preserving associate degree nursing education.
- **Alpha Delta Nu Nursing Honor Society:** Charters available to agency members for the only honor society available for associate degree nursing students.
- **Academy of Associate Degree Nursing:** Recognizes associate degree nursing educators for their expertise in the profession. Individual OADN members are eligible to apply for the Academy Fellows program.
- **Collaborating with national nursing organizations** to ensure the voice of associate degree nursing remains at the forefront for at the role in academic progression, such as the Robert Wood Johnson Foundation Academic Progression in Nursing Advisory Committee, the Center to Champion Nursing in America, Nursing Community, Nursing Alliance, Nurses on Boards Coalition, the American Nurses Association, the National League for Nursing; the American Colleges of Nursing; American Nurses Association; and the American Organization for Nurse Executives.
- **Subscription to *Teaching and Learning in Nursing***, OADN’s official journal.
- **Affiliations with national organizations**, such as the American Association of Community Colleges, Association of Community College Trustees, Community College Baccalaureate Association Institute of Medicine’s Global Forum on Innovation in Health Professional Education to promote associate degree nursing education.
- **Discount for the OADN Annual Convention and other OADN supported programs** focusing on best practices in associate degree nursing education.
- **Tuition discounts** with higher education partner institutions.
