

2023 OADN Foundation Research Grant Program
Application Instructions

All 2023 OADN Foundation Award, Scholarship & Grant online applications are powered by Survey Monkey Apply. Applicants are strongly encouraged to gather all required materials, as clearly outlined in the instructions section, **BEFORE** completing the online application form. Having all components of your application proofread, finalized and ready for file upload will help to ensure successful submission. You will be asked to provide your OADN membership number (for program members, this may be secured from your Nursing Dean's or Director's Office) as active OADN membership is a requirement for applying. Please read all instructions thoroughly on the online application and/or nomination form.

Applications must be submitted on or before the deadline of 8PM Eastern on June 15, 2023. Incomplete applications will not be considered. If you have any questions, contact Amy Owens, OADN Director of Advocacy & Engagement amy.owens@oadn.org

The Organization for Associate Degree Nursing (OADN) Foundation values nursing education and practice and endeavors to support its members in their research efforts and their pursuit of advanced degrees. The objective of the OADN Foundation grant funding is to promote the implementation and publication of research related to associate degree nursing education and practice.

Grants will be awarded in an amount up to \$7,500. The recipient(s) of OADN Foundation Grant Awards will be recognized, and the award will be presented at the 2023 OADN Annual Convention, *Turning the Tide of Nursing Education*, at the Manchester Grand Hyatt in San Diego, CA this November 15-18, 2023.

Criteria for Application:

- Applicants for the OADN Foundation Research Grant must be active members of OADN.
- The subject of the research proposal must be related to associate degree nursing education and/or nursing practice.
- The completed grant application must be submitted on or before the deadline of June 15, 2023.

Instructions: Applicants must complete all components of the application outlined below and submit by the deadline date of June 15, 2023 to be considered:

- Statement of Professional Objectives: A letter of interest, not to exceed 150 words, attesting that you meet the above stated criteria with a summary of your research grant proposal and statement of professional objectives.
- Grant Proposal: Please include the following information (*please note - proposals should not exceed 1000 words and must be submitted without identifying information for blind review*):
 - Title
 - Background
 - Purpose
 - Research Design
 - Timeline
 - Statement of IRB approval, if applicable
 - Budget
 - Dissemination plans
- Curriculum Vitae (CV): Please include a current CV of applicant(s)

Rating Criteria: Applications will be rated on the following criteria:

1. A compelling rationale and clear focus for the study based on relevant literature.
2. Information about the research design, setting, participants, and/or sources of data.
3. Research question development and plan for data collection and analyses.
4. Appropriate budget and timeline.
5. The plan for dissemination of the findings.
